Lifetime Achievement Award Nomination Form

The 2010 NCADA Lifetime Achievement Awards will be presented at the 75th Annual NCADA Convention at the Pinehurst Resort in June!

Initiated in 1999, the Lifetime Achievement Award is presented by the North Carolina franchised car and truck dealers to recognize dealer members who have displayed a lifelong commitment to the automobile industry. Award recipients display manifestation of that commitment in their community involvement, industry association and overall civic participation.

The Lifetime Achievement Award is presented to dealers who embody the true spirit of successful franchised dealers – entrepreneurs, civic leaders and industry stalwarts!
